

OHA is now working with Foodland Ontario!!!

We are proud to announce that the OHA is now working with Foodland Ontario! We have been working hard to do everything we can to benefit our local hazelnut farmers, and can't wait to see how you feature the Foodland Ontario logo on you locally grown hazelnuts!

Working with Foodland allows our OHA members to use the Foodland Ontario label on their products, to promote their locally grown in Ontario hazelnuts.

WAYS TO INCORPORATE FOODLAND ON YOUR PRODUCTS AND WHY

Promoting your locally grown hazelnuts with the Foodland logo is as easy as purchasing stickers from the link provided, but don't stop at just stickers! Foodland Ontario offers banners, flags and much more to get your farm noticed by local buyers

All of our OHA members can [click here](#) sign into your account and begin filling out the forms to receive your free merchandise!
